5. New Business:
 - Proposed: Time limit of 3 minutes for shares
 - Proposed: If someone has been drinking hold comments till the end of the meeting

Discussion:

- Open meeting and state don't speak if drinking today because the meeting is open
- Open meeting means anyone welcome; ultimately open or closed meeting not relevant
- Time limit could put a damper on people who want to participate and need more time
- Honor system re mood altering don't share; no methodology to enforce

Motion by Henri/Jeannie 2nd passed unanimously

If you have had a drink or other mood altering substance today please refrain from sharing and stay after the meeting where we will be happy to discuss with you.

- The statement will be incorporated into the secretary's break prior to start of sharing.
- Chair is responsible for running meeting and can mute; chair can survey who can assist as "producer" and monitor zoom room.

Motion: Change from "brief" to 3 minutes or less (motion/Ritchie & Henri 2nd unanimously approved)
